Overview

Jade has a broad practice covering all areas of Chambers' work. She has worked on a range of commercial disputes including in areas such as banking, jurisdiction challenges, commercial litigation and arbitration. Jade has experience of working in counsel teams of various sizes and matters in her own right.

Recent and notable work includes:

- **The Environmental Information Regulations Litigation**
Acting (with Edmund Nourse KC, James Nadin and others) for a group of UK water companies in group litigation involving approximately 100 claimants and claims of over £150m. The claim relates to the Environmental Information Regulations and raises issues about whether the water companies were obliged to provide information contained in environmental searches for free under those regulations, and claims restitution of all of the fees paid.
- **Seiler v The Financial Conduct Authority**
Acting against the FCA (with Ben Strong KC) in a reference to the Upper Tribunal of a decision of the FCA's Regulatory Decisions Committee to impose a prohibition order on the basis of lack of integrity.
- **Município de Mariana & Ors v BHP Group Plc and BHP Group Ltd**
Acted (with Charles Gibson KC, Daniel Toledano KC, Shaheed Fatima KC and others) for the defendant, BHP, in the high-profile group action brought by over 200,000 claimants in relation to the collapse of the Fundão Dam in Mariana, Brazil.
- **LCIA Proceedings (2021)**

Acted for the claimant (with Charles Graham KC) in a dispute concerning a claim for breach of contract and duty of obligations to disclose information under a joint venture agreement with the Defendant's European subsidiary company. The claim centred around the Claimant's purchase of a multinational oil and gas exploration and production company for \$5.5 billion, in circumstances where the Defendant was pursuing an arbitration claim against the company in question for \$8 billion.
